

## Passion for Paralympics

- Partner to the Paralympic Games since 1988
- International Paralympic Committee Worldwide Partner since 2005
- Rio 2016 Paralympic Games Official Prosthetic, Orthotic and Wheelchair Technical Service Capital Provider
- Similar to the pit lane in motor-racing, Ottobock's track and court-side technical service provides seamless equipment repairs and maintenance, wasting no time in returning Paralympians to the competition

## Ottobock in Brazil and Latin America

- Brazilian office opened in 1975 to pioneer the introduction of mobility equipment in Latin America
- Nine regional offices: Argentina, Brazil, Chile, Colombia, Ecuador, Mexico, Peru, Cuba and Uruguay
- Invested R\$30 M (€8.5 M) in the local research, development and manufacture of products for export
- Annually provides training for 60 orthopaedic professionals and hosts scientific seminars for doctors and rehabilitation therapists

**ottobock.**

- Founded in Germany in 1919
- Leading provider of technology and service to enable people with limited mobility to lead active and fulfilling lives
- 6600 employees
- Global network of 54 sales and patient care locations and export contacts in 140 countries
